Weather	Sunny weather				
Local rules or deviations from Sporting Code	The standard FAI event organization rules defined in section C.6 of the FAI Sports Code Volume F9 Drone Sport have not been applied due to the low number of participants. The time taking system was applied on the first day with the best laps of 3 with qualification rounds throughout Saturday and on Sunday the first 8 were taken in a group of 4 for the semifinals and finals in 4. In each stage it was done 3 rounds determining your ranking and points according to your position.				
Unusual organisation occurrences <i>(withdrawal of a FAI judge, interruption of the event or delays, incident or accident,...)</i>	We suffered a robbery during the night of November 4 to 5 of all the racing equipment. In order to solve the problem, we did warm-up batteries on Sunday morning and once solved, we launched the race again at 1:00 p.m., finishing the final at 5:00 p.m.
